The City of Durant and the Durant Regional Airport at Eaker Field would like to invite everyone to attend a public meeting to discuss the Durant Regional Airport Layout Plan. The purpose of this meeting is to get public input about the future of our airport.

Below is your ticket to a Public Meeting on **Friday, August 5, from 4:00 until 5:30 pm** at the Durant Regional Airport Terminal located at 10 Waldron Drive. This is a come and go event that will allow you to get familiar with the airport, make suggestions on the future plans and needs of the airport, and to meet with City staff and our airport consultants, KSA.

We look forward to you flying with us into the next 25 years at Durant Regional Airport.
